THE AUTOGRAPH COLLECTION

2025

Beautiful spaces
made beautifully
accessible

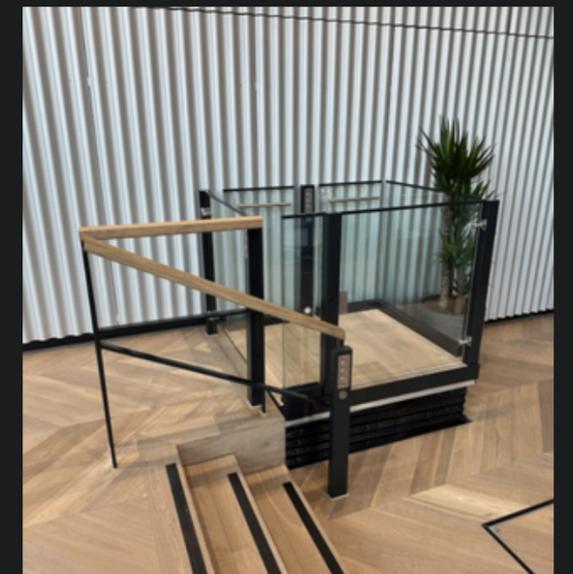

CREATE INNOVATE INSPIRE

Premium platform lifts for discerning clientele and prestige property

Made in Britain

A BEAUTIFUL ADDITION TO ANY PREMIUM LOCATION.

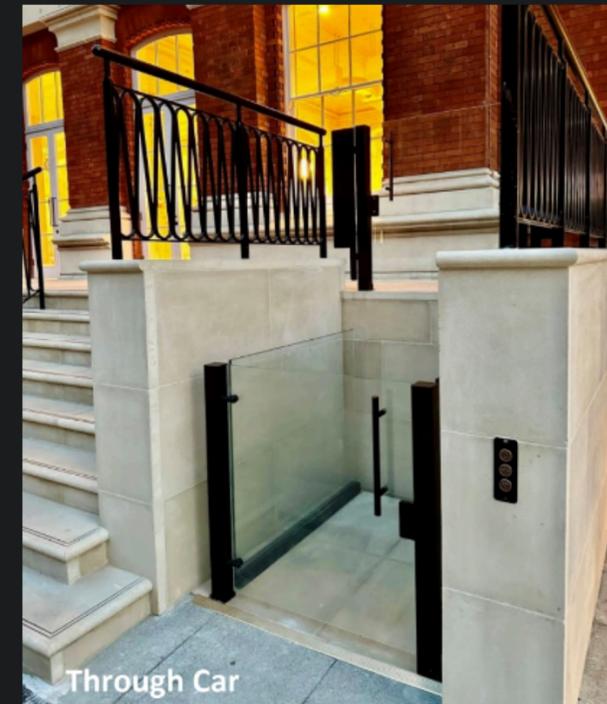

ABOUT THE COLLECTION

The Autograph Collection has been designed to provide a series of platform lifts intended for discerning clientele and prestige property using our signature design architecture. A stylish product with sleek lines, minimalist and refined with a choice of finishes and configurations. A beautiful addition to any premium location.

Autograph has been designed in close liaison with architects and interior stylists, we wanted it to blend seamlessly into its architectural landscape, to dissolve into the background.

Only the finest materials and British craftsmanship are used in the making of each Autograph platform lift.

At our studios near Cambridge, England we design and build each lift to your exact requirements.

Platform Size	Maximum Lift Travel

Founder

Darren Papani

LYFTHAUS DESIGNS ARE NEVER ABOUT US. OUR CLIENTS ARE OUR FOCUS.

Our designers are not only passionate, skilled and experienced, but are excellent listeners and communicators. We take the time to thoroughly understand our clients and what they want from each individual platform lift project. Only then do we start to think about the design itself. We are the lift industry's foremost creative designers providing architects with an unparalleled freedom of choice and the source of the very best architecturally inspired platform lift design solutions.

Lyfthaus have a well proven team of experienced and innovative design engineers and creative thinkers who deal solely with the stylish and refined tastes of architectural clients. Placing their clients' needs at the heart of every design, the Lyfthaus objective is to exceed clients' expectations, delighting them by providing an individual and unique service that delivers an uncompromisingly high standard of design, fit and finish to every project.
